Dear Distributor,

Re : Distribution of Cintex Needlesearch

Please note that Loma Systems have taken the decision to stop the Manufacture and Sales of Cintex Needlesearch from the 1st March 2012.

The product will now be withdrawn from the 2012 Price list.

I can confirm that Loma Systems will continue to offer warranty support for Needlesearch products through the supply of spare parts and technical assistance on products sold within the past 12 months.

We will also continue to offer chargeable service and spare parts assistance to Needlesearch customers and Distributors outside of warranty for as long as possible.

Thank you for your valued support and sales efforts of Needlesearch products over the years and I hope we can continue to support you in the future.

Yours faithfully,
